

# Pasteur's Playmates

December 2016

## Reminder

Please remember to send your child prepared to play outside every day. Also make sure to label hats, gloves, etc. Thank you!

## December Theme

Winter Cold & Holidays

**PBS**

At this time of year there are great holiday shows on TV and books to read.

While watching or reading something, try to ask PBS questions. "How do you think Rudolph felt when the other reindeers wouldn't play with him?" "Was Karen happy or sad when Frosty melted? Why?" Not only does this help them to understand emotions, but it also helps enhance their language development!
