

Bohr's Bunch March News

Look at Me!

Left: Creating her own robot with crayons and stickers!
Right: A friend smiles as she shows off her mask she created for President's Day.

Learning in March

This month we will start out by talking about Dr. Seuss! We will talk about the terms 'author' and 'illustrator' and what they mean, then we will create books of our own! We will get messy and make some Ooblek in our sensory bin. After that, we will be talking about kites and wind – if it's windy enough we might even get to fly our own kite! We will also be talking about Spring Holidays followed by a week-long theme on "Amazing Eggs". We will end the month of March by talking about March Madness and other sports. We are very excited to learn about so many new and exciting things this month!

Dates to Remember:

- March 5th – Parent's Night Out
 - March 7th – ASQs DUE BACK
 - March 8th – Broccoli Taste Test
 - March 14-18 – Spirit Week
 - March 15th – Slow Cooker Night 6:00-7:00
 - March 24th – Pineapple Taste Test
- March 30-31st – Parent Teacher Conferences at the Health Department

Welcome to Our Class!

We have two new friends joining us this month in our class! Please help us to make them feel welcome to our room. We're glad to have you!
