

# Franklin's Family

## Theme for December: Winter Weather and Holidays

In December, we will explore snow, ice, arctic animals, and look at all the different winter holidays. If you have any special holiday traditions that you would like to share with the class please do!

Next month's theme will be: Where we live

## Outside Play...

We try to go outside every day, even if it is simply for the learning experiences of zipping our own coats or putting on gloves. Please send your child with a labeled coat, hat, and gloves so that we can go outside.

## Severe Winter Weather....

Googols of Learning does not follow the Lawrence Public Schools with regards to closing for severe weather. In the event of an emergency, an announcement will be made on local radio stations: KLWN AM 1320 or 105.9 FM between the hours of 6:00 AM and 7:00AM. Also, check [www.ljworld.com](http://www.ljworld.com) for closing, delayed opening, or early closing information. Please check our Twitter Feed and our Facebook page for weather and other notifications. We will also notify through Tadpoles.

# December
