

December 2017

Galileo's Group Newsletter

*We have a couple of birthdays this month:
Jordan and Julian. We would like to give a big
birthday shout out to them.*

Happy Birthday!!

Art Donations

We would like to get the class working on their scissor skills and a fun way to do that is to make collages. If you have any old magazines/newspapers, we would love to have them for our art center.

Holiday Party

The party in our room will be Thursday December 21st at 4:00. A signup sheet will go up the previous Monday. If all goes well, the class will sing a few Christmas songs.

January

The theme for January is Where I Live and one of the activities we are going to do is a collage of everyone's favorite places in Lawrence. This will be displayed in the circle time area. If there

are any pictures that you could bring in we would greatly appreciate it.

Upcoming Events

December 16

Parents Day Out 10-2

December 21

Parent Party @ 4

December 22- Jan. 1

Closed

FYI

Please make sure that your child has at least two changes of clothes, that are weather appropriate in their cubby.

Thanks!

Monthly Themes

In August we started our new monthly themes. The monthly themes for fall are as follows:

November:	Science
December:	Winter Weather and Holidays
January:	Where We Live
February:	Love and Friendship
March:	Books

If you have any fun activities or science projects that you think the children would like, please feel free to share them with us; and as always, we welcome parents to come in and volunteer in the class or work on special activities with the children.
