Winter Weather & Holidays

## PBS:

The kids have been doing such a great job using their words! We have been hearing a lot of "mine", "more", and "all done". We will be trying to continue encouraging them to use their words and soft touches with their friends.

## Reminders:

Please remember to make sure your child has proper outerwear for those cold winter days!

Also, remember to label your child's hats, coats, and gloves to ensure all their belongings are making it home with them 😊
