

February 2017

# Baby Einstein's

## New Faces!

We would like to welcome Ben, Myla, Olivia and Nell to our class.

We are working on our visual schedule and modeling our expectations to be safe, be respectful, and be a team player.

## At Home Project:

Get several different sized rocks, glue and glitter. Put the glue on the rocks in the shape of hearts, stars, etc... then sprinkle glitter on top. Let it dry, then you will have a beautiful Valentine's decorated rock for a paper weight or to simply put on display!

## Holiday Party!

Wednesday Feb. 15th @ 3:30.

Families are welcome! There will be a sign-up sheet if you would like to bring a healthy snack.
