

BOHR'S BUNCH JULY NEWS

Learning in July:

This month's theme is Outdoor Fun! We will kick off the month talking about Independence Day and do all sorts of different science activities and crafts relating to the Fourth of July! After that, we will do a week-long unit on sports. We will be playing new games, talking about our favorite sports, and practicing taking turns and teamwork. The following week will be all about hands-on activities relating to art and science that we can do specifically outside.

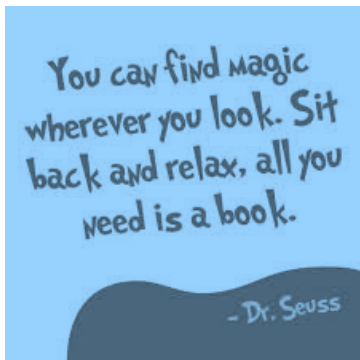

Important Dates to Remember:

- Independence Day – Tuesday, July 4th Googols will be CLOSED.
- Professional Development Day – Friday, July 28th Googols will be CLOSED.

Welcome!

Please welcome our newest classmates!

Snapshots in the Classroom:

Left: Being a good friend and comforting another during a thunderstorm.

Right: Liking to dance with the egg shakers during music time!

Below: A picture of our friends at circle time while we were talking about our PBS expectations!

Classroom Reminders:

- Remember to check Tadpoles daily for important information regarding our classroom.
- If your child is outside when you pick them up, please don't forget to come inside and check their cubbies before leaving.
- Our water play days are on Tuesdays and Fridays from 9:00am-10:00am so please make sure your child is here and ready ahead of time! 😊
