

Mendel's Munchkins

Summer is in full swing and we are loving it! Water play has been so much fun, everyone enjoys splashing around in water. I try to change it up a bit and give them fun, new, messy things to play with in the water!

July will continue the outdoor fun! More camping, boating, and fireworks! We might even take some art outside!

Mark your Calendars!

Tuesday 7/4 - Independence Day - Googols of Learning will be closed for the holiday.

Friday 7/28 - Googols of Learning will be closed for staff development

Frozen Banana Pops

Bananas
Fruit Squeeze Pouches
Yogurt
Assorted sprinkles
Parchment Paper
Popsicle sticks

Cut bananas in half and insert a popsicle stick into each half. Squeeze the fruit pouch into a bowl and mix with a tablespoon of yogurt. Dip bananas into the mix and fully coat using a spoon. 1 pouch will coat about 4 halves. Add sprinkles on all sides and place on a parchment paper lined plate to place in freezer. Once frozen, enjoy a healthy and delicious snack!
