

Franklin's Family

Theme for April: In the Garden

This month we are going to learn all about Flowers, Vegetables, Fruits, Bugs, and Mud. We already have our flowers blooming in our classroom, and soon we will be adding vegetables to the mix. The children love watching them grow and have enjoyed the entire process.

Next month's theme will be: Colors, Shapes, and Numbers

Objectives..

Be sure to check out our objectives board to see what new skills we have been working on. Each day we master new skills through play-based learning, if you have questions please ask!

Tie Dye..

We all had so much fun tie dying our shirts! When the weather warms up we will schedule a day to wear them and show them off!

April

Upcoming Events

April 27th: Picture Day!

April 22nd: Happy Earth Day!

A decorative graphic for a birthday. The words "Happy Birthday" are written in a large, elegant, cursive font. The text is surrounded by several small, colorful hearts in shades of pink, red, and teal. There are also decorative swirls and musical notes scattered around the text, giving it a festive and celebratory feel.

Ms. Morgan 4/5

A big Welcome to our new friend Barrett!!! Welcome to the class!!!
