

Bohr's Bunch June 2018 News

Learning in June:

It's finally June! We have so many fun activities planned for the summer, we are so excited! This month our theme is safety. We will be talking about PBS in the classroom, community helpers, how to stay safe, and learn some new vocabulary along the way. We will also be on the look out for bucket fillers in our classroom throughout the month so that we can have a party! Remember, if you have something you'd like to share with the class, whether it be a book, song, recipe, etc. Be sure to let Ms. Ashlee or Ms. Crystal know! 😊
