

# Franklin's Family

## Theme for June: Safety

This month we will discuss safety. We will explore police work, fire safety, and what it looks like to be safe in our classroom and homes. We will also look at what we can do to be safe when we are outside all summer long! It should be a fun month full of learning!

Next month's theme will be: Outdoor Fun

## Gardening..

We have been having so much fun gardening both inside and outside our classroom. Our class is responsible for watering the garden every day. Ask your kids about it!

## Cubbies..

Please check your child's cubbies daily and take home any important paperwork, artwork, or accident reports. Also, please take home swim clothes every Friday and bring back the following week.

## Upcoming Events

June 16<sup>th</sup>: Googols 10<sup>th</sup>  
Birthday Party
