Galileo's Group Newsletter

We would like to welcome a new student who recently joined our classroom. We would like to welcome Rosemary. We are excited to have you in our class!

Sunscreen & Water Play

Water play starts June 6th and will be on Tuesdays and Fridays at 1:00 p.m. Please make sure that your child has a swimsuit, towel, and shoes and that they are labeled. We will hang them out to dry on Tuesday afternoon and we will be sending all of the swim things home Friday evening.

Mud Day

On the 29th of June we will be celebrating International Mud Day in the afternoon. On this day we fill the pools with mud in the afternoon and let the kids play. It is really fun and the kids love it! On that day, please make sure to send your child in clothes you don't mind getting muddy or bring an extra change of clothes for them to change into. I would also bring towels for the car.
