

Pasteur's Playmates

June 2018

PBS Being Safe

This month our theme is "Safety". It is also the first letter in our PBS "being a STAR student". I have often told our kids that mine and Ms. Katy's priority is not to just teach them their ABC's or numbers (although that is important), but to keep them safe. Every day we go over our classroom and playground (climbing structure) rules. Having rules isn't always fun, but they know why we need them and why we have them.

Swim Play

Our swim days are
Tuesday and Friday
mornings from 9-10

June Theme Safety
