

Pasteur's Playmates May 2018

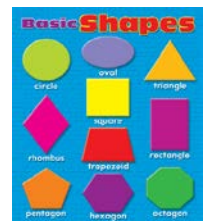

PBS Being a Kind Friend

This month we are going to talk about how the choices we make can affect our friends. We are really going to stress how we need to use our words and communicate when different situations occur. We'll also talk about how we need to treat our friends the way that we want to be treated.

Reminder

Make sure that your child has weather appropriate, extra clothes in their cubby.

Colors, Shapes & Numbers
